

**WHEREAS,** The Community Breast Health Project provides information and support to people touched by breast cancer in an atmosphere of warmth, sensitivity and understanding; and

**Whereas,** The Community Breast Health Project started in October 1993, as a patient and her surgeon began to dream of a community center where breast cancer patients could go for up-to-date medical information and support from fellow breast cancer survivors; and

**WHEREAS,** The Community Breast Health Project began to grown in 1994, as more than 200 people participated in brainstorming sessions on how best to meet the needs of breast cancer survivors and their families; and

**WHEREAS,** The Community Breast Health Project transformed the shared dream in to reality. Buttressed by office space and a part-time director provided by Stanford University Hospital, as well as an outstanding volunteer force, the Community Breast Health Project began to establish a presence in the community; and

**WHEREAS,** The Community Breast Health Project has grown tremendously in the past ten years and will continue to provide free, high quality services and support to breast cancer survivors and their families; and

**WHEREAS,** The Community Breast Health Project will celebrate their 10<sup>th</sup> Anniversary on Friday, October 3, 2003;

**NOW, THEREFORE, BE IT RESOLVED** that the Board of Supervisors of the County of Santa Clara, State of California does hereby honor the

## **Community Breast Health Project**
